### **Thank You**

The last several weeks have been a whirlwind for Celisa and I. We moved to the country and had 6 fundraisers (we raised over \$6500). These tasks would have been impossible without your help. Thank you to the large group of people who showed up and helped us move. Thank you to all who donated items for the sales. Thank you to those who volunteered time to work at the sales. Thank you to those who helped to organize everything. Thank you to the people who watched and loved on our kids. Thank you to the crew who made all of the bierrocks and burritos. Thank you to those who convinced me that we could and should do it. The bottom line is that our church is full of incredible people that my family has come to realize, make our lives and ministry much easier. We are incredibly thankful for the family and community that you all have provided us.  
Drew and Celisa
